Rabbi Louis and Saretta Lazovsky were born and raised in Chicago. They have been associated with B.H.H. Kesser Maariv A.L. since 1984, when Rabbi Lazovsky was appointed to succeed Rabbi Zev Wein as spiritual leader of Kesser Maariv.

Rabbi Lazovsky attended Akiba Jewish Day School, Ida Crown, Roosevelt University and The Harris School of Public Policy Studies of The University of Chicago. He attended Brisk Rabbinical College, receiving Semicha from Harav Hagaon Ahron Soloveichik zt"l in 1977. For over four decades, Rabbi Lazovsky has involved himself in helping those in need – including immigrants, the indigent and the Jewish Day Schools in Chicago. He has held numerous positions in education as a high school teacher, Mashgiach in Yeshivah and college administrator. Since 1987 he has held positions of increasing responsibility at the Jewish United Fund in the campaign department, as Assistant Director - Budget & Planning, and currently serves as a Vice President - HR, Rabbi Lazovsky is a past

Chairman of the Board of the Midwest Business Group on health.

He has been an officer of both the Merkaz Harabbonim of Chicago and the Chicago Rabbinical Council, and has chaired committees and led projects and activities on behalf of the Chicago Jewish community.

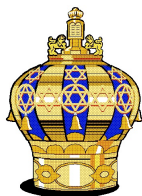

Rebbetzin Saretta attended Hillel Torah North Suburban Day School, Ida Crown, the University of Illinois at Chicago, and National-Louis University. She has served as a Special Education teacher at area Day Schools, and also worked with young adults with special needs at Keshet and the PACE Program of N.L.U. Saretta also spent almost a decade as a Hebrew School Teacher at the Consolidated Hebrew School in Lincolnwood. A co-president of the Adele Goldblum Women's Council of Kesser Maariv, the Rebbetzin has been involved in many community activities and has received numerous awards.

The Lazovskys built our community from scratch. In 1993, with a handful of neighbors, they started minyanim and programs, and built the Shul building we have today. Their house, and our Shul, is truly open to everyone and everyone feels like they belong. They have helped countless of our fellow Jewish friends not only to survive, but also to thrive. Literally, people who have no one and no resources are cared for by the Lazovsky family.

While some may think that this is the “job” of a Rabbi and Rebbetzin, the Lazovskys have always gone above and beyond and, perhaps most importantly, include their special, personal touch and friendship.

The Rabbi and Rebbetzin take much pride in their children (who grew up involved in Shul events) and their grandchildren.

### **Message From the Rabbi**

Shabbat, July 14, 1984, 14 Tammuz 5744, Parshat Pinchas, was the first time that I was to make the 45 minute walk to Kesser Maariv at 6418 N. Greenview in Chicago's East Rogers Park neighborhood. It was a hot and sunny summer day. Rabbi Zev Wein, o.b.m., had just retired. As I walked into the sanctuary with over 250 seats, there were fewer than ten people there. I walked up to the bimah and introduced myself to the only man sitting there, Bernie Robbins, o.b.m., the President, and took a seat near the back. I noticed not only how few people were in shul but that for the most part, they were all retired. About twenty minutes later someone arrived in shul, approached me and told me that I was sitting in his seat. I quickly excused myself and moved. When the time for kriyat HaTorah came there was no one there yet to read the Torah. Mr. Robbins asked me if I would read the Torah and even though I was not prepared, I agreed. After my speech, Musaf and Kiddush I thanked everyone and walked home. That evening I received a call to come back to the shul the next morning to meet with the Board. I was told that I was "their kind of man" in that I could read the Torah and doven, and would I consent to become the last Rabbi of Kesser Maariv before the shul was to be closed. Tillie Newman, o.b.m., the wife of Sam Newman, o.b.m., a past

President and current Treasurer had passed away and Sam had six weeks left of Kaddish. As I recall, I was to receive thirty-five dollars if I came to shul and forty-five or fifty dollars if I also had to read the Torah. Six weeks quickly past. Bernie and Allan Goodkind, o.b.m. (Chairman of the Board), asked if I would like to stay on through the high holidays that was only a few weeks away. They were very clear that I would serve only until then, no longer.

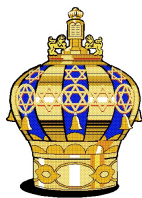

This past May, our family was to have been honored for thirty-six years of service to the Congregation. The event was to have been held in our beautiful one acre campus, that was built thanks to the tireless efforts of our past President Rick Katz, located at 4341 West Gold Road in Skokie, but Hashem had other plans. COVID-19 struck in March and turned the world we once knew upside down. While the event was cancelled, the Congregation decided to commemorate the anniversary with the publication of an ad journal.

There are so many recollections, thoughts, feelings and emotions that make up thirty-six years of affiliation with an institution. Our personal outlook and perspectives have certainly changed as we physically moved from the days of our youth to our golden years. There are feelings of joy, of weddings, births, Brit Millahs, Bar and Bat Mitzvahs as well as

deep feelings of sorrow and loss of family members, too many congregants and other loved ones who are no longer with us, many taken before their time. We hope that my father-in-law, Helman Allswang o.b.m., my parents, Sam and Florence Lazovsky o.b.m. and many other loved ones from our families are all looking down on us with pride and joy for what we have attempted to achieve.

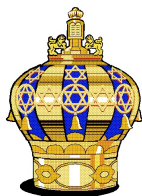

Today we recognize our dear Rebbetzin Saretta, who is the true heart and soul of Kesser Maariv. Synagogues, as people and as institutions, have a unique character that are reflections of their leadership. Some are made up of many distinct families who often drift apart. Boruch Hashem, Kesser Maariv is blessed to be one large family, a direct result of the Aishes Chayil we have to teach us the true meaning of Torat Eemecha – the Torah of our mothers, the Torah of loving kindness. Only a remarkable young woman would give up her home for years and allow it to serve as a synagogue, give up family time and vacations, be willing to be on call day and night, be willing to host people who she doesn't know from around the world, to run to hospitals and nursing homes, to counsel and teach, to make kiddushes, cater simchas, and until COVID-19 struck, to get up and make the shul's cholent at 4:30 early Friday morning. We could say dayenu after any one of these but we must add being a devoted, loving

wonderful wife who has always advised me to go in a proper path, a loving mother who raised beautiful children that are devoted to Torah, Avodah and Gemilut Chasadim. These would be significant accomplishments for anyone, but Saretta has achieved all this while earning a graduate degree in special education and serving as an accomplished teacher of children from the former Soviet Union, afternoon school teacher in synagogues, job coach, teacher of vulnerable, at-risk children at a therapeutic day school, as a special education teacher at Keshet and now at Hillel Torah. Kesser Maariv is a true reflection of your neshama. May the Shechina repay you for all your efforts ahd bias goel tzedek.

Our children have also been indispensable to the life of the shul and are deserving honorees. Even as infants, their very being infused light to those in the twilight of their lives. When Tehilla was born, how much pride the congregants took in “their” baby. I remember so vividly the last Simchat Torah in East Rogers Park and how difficult it was to get a minyan and soon thereafter, having the boys walk with me through every room in the shul to look for mezuzahs and books that may have been left as they helped close the shul in East Rogers Park looking forward to a future that was yet unknown. In my mind’s eye I also remember them with Grandpa Allswang o.b.m., as he helped affix the mezuzah when we moved to the farm

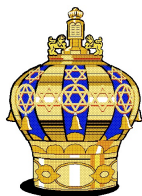

house in Skokie. The little boys have grown up and have received smicha from a gadol. They are scholars, true Rabanim, talmidei chachamim and baalei chesed on their way, with Hashem's help, to becoming gedolim in Israel. They are well versed in the many aspects of Torah, in teaching, in performing acts of chesed and in all aspects of shul life such as reading Torah and davening but more importantly they strive to understand and share the essence of Torah.

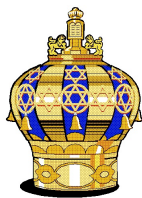

Rabbi Ben Zion has been the shul's Associate Rabbi and administrator. He is responsible for serving as publisher of the Kesser Maariv Press and the two books we published, as chief librarian, responsible for the acquisition of the shul's collection of sefarim, writing the bulletins, paying the bills, issuing receipts, running Zoom meetings, recording the shiurim of Harav Hagaon Moshe Soloveichik, even turning on the bulbs in the Yahrzeit plaques. He taught weekly Mishnah classes to the young boys of Kesser Maariv, who have since grown up, Talmud classes, annual Selichot drashas and has delivered lectures of great depth and sweep. He married our beloved Channah, who along with Chemda Bracha brings light and joy to the shul.

Rabbi Eliyahu Dov, our Chief Chesed Officer, is very involved with interactions with our congregants and the minyonaires, and recently he used his graduate

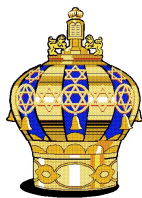

degree in public health to safely set up the synagogue for week day and high holiday services. He is responsible for distribution of funds and providing assistance to the needy, for giving shiurim and is also involved in the Kesser Maariv Press. He achieves so much for so many while still focusing on his responsibilities as a single parent of two children. Along with his brother, he has prepared many children for Bar Mitzvah and helped parents with speeches for simchas.

Tehilla married our beloved Rabbi Noam Ben-Ari and moved to New York, but not before she left her mark - running Shabbat programs for the shul's children for many years and as a teacher of her women-only class on prayer, "Tefilla with Tehilla." They, along with their four children, have returned for the holidays to help add ruach to our services. Tehilla is an accomplished master teacher and Noam uses his graduate degree in speech to help children learn how to doven. Tehilla and Rabbi Noam moved to West Hempstead a number of years ago, to help start a shul in the community where he serves as Gabay. It is a shul that started in a basement, moved to a small facility and will soon be moving to a large spacious location as their shul continues to grow. May our children continue to merit spreading the light of G-d's Holy Torah to all of Klal Yisroel. We pray that Hashem blesses them and their families for all of their

activities on behalf of the shul and Klal Yisroel until the coming of Moshiach.

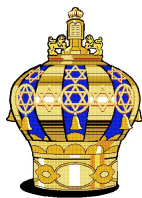

We wish to express our deep gratitude to the many people that have enabled us to reach this day and for their many efforts on behalf of the shul over the years starting with HaRav HaGaon HaRav Aharon and Rebbetzin Ella Soloveichik z”tl and yibadail l’chaim HaRav HaGaon Rav Moshe Soloveichik S”hlita. We pray that the Ribono Shel Olam blesses him, his wife Deborah, his family and students with His every blessing. We express our appreciation to our dear mother, Gilda Allswang and thank her for her ongoing help, guidance, constant support and blessing. We thank the past Board Chairman, all of the past Presidents, board members and congregants that we have been privileged to work with over the years and our current hard working President, Steve Goldrich, Board of Directors and Adele Goldblum Women's Council. Our appreciation must also go to the Jewish Federation and Jewish United Fund of Chicago whom I have also served with dedication since December 7, 1987. We thank the many honorees, donors and members who have sustained Kesser Maariv over the years enabling us to become the oldest Orthodox Congregation in the Midwest and to those who will do the same in the future. Acharon acharon chaviv, thanks to each and every one of you, members of our extended family, for the honor you have bestowed

upon us and for the many prayers, contributions and acts of chesed on behalf of our family these past thirty-six years. We pray that this pandemic will soon end and that all who need a refuah shelaimah will receive one immediately as a result of your efforts.

We thank G d for our shul's continued growth and for the good name that we enjoy in the community. We pray that our shul will continue to constantly inspire us and ennoble our lives. We pray that it continues to be a bastion of Torah, gemilut chesed and tefillah for our Kehilla and the entire Jewish community as well as a fitting home for the Shechina until the time of the ultimate geulah, may it come speedily in our days.

Jews count. We count in order to master time. We count to commemorate our heroic past and in anticipation of an even more glorious future in Eretz Yisrael. This past May we celebrated the seventy-second anniversary of the founding of Israel, the first fruit of the promised redemption. We can only stand in wonder of Hashem's kindness starting with the relocation of the Embassy of the United States of America to Jerusalem and for the many peace treaties and miracles that have taken place this past year. We look forward to even greater miracles in the near future. Our family has learned to adapt to ever changing circumstances and hope that our family's works have counted for you and your families these

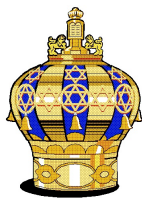

past thirty-six years and have made this world a better place. With G-d's help and your support, we look forward to even greater achievements in the coming years. As for me, I am thankful to have been able to serve as a keeper of G-d's house and mentor to His people. We longingly await the day when in the not so distant future, the Bait Hamikdash will be rebuilt and the glory of G-d will rest upon us and all mankind.

Finally, I once again confer my personal blessing upon our Mikdash mi'aat, the same one bestowed upon the Mishkan and the Jewish people by Moshe Rabeinu:

*"May it be your will that Your Divine presence rests upon the work of our hands. May the pleasantness of My Lord, our G d, be upon us. Our handiwork, may He establish for us; our handiwork may He establish.*

### They Shall Make Me A Sanctuary...

We are blessed to have our two honorees, who have dedicated their lives and their life together, to the service of the Jewish community and specifically to Congregation Kesser Maariv. As builders and maintainers of Jewish values, both Rebbetzin Saretta and Rabbi Louis have been constants in the Kesser Maariv family. Starting with the long walks back and forth to East Rogers Park ensuring services continued for those who remained in the neighborhood. Then, when the East Rogers Park building was sold, surrendering their home for weekly Shabbat services and developing additional membership. When property in Skokie became available, it was purchased by Kesser Maariv. Services were conducted in the "old farm house" which meant a weekly relocation from Lincolnwood to a not-so-comfortable Skokie location. Once the Lazovsky home was built, adjacent to the south side of the property, it became the defacto Kesser Maariv location, not just for services, but also for all the social functions that make Kesser Maariv a functioning shul and congregation. Finally, the shul building was constructed and the Lazovsky home was returned to a home—but with an adjacent shul. More properly, the Lazovsky home now included an additional "home", the Kesser Maariv building. During all these moves, the entire Lazovsky family did whatever was needed was to ensure the shul functions were properly carried out and the congregation served.

Truly, the Rebbetzin and Rabbi dwell in the House of the Lord. May they go from strength to strength and may we be privileged to share in their many accomplishments.

With best wishes,

Maariv” is their well-known name  
But to us - Zaidy and Savta is their claim to fame  
They do many things for all the people they know  
To teach them Torah and help them grow  
For us as well, they’re always there  
In many ways they show they care  
Rides to and from the airport, making our  
favorite foods  
Calling to cheer us up and helping to lift our  
moods  
They never want to miss out so to New York  
they’ll fly  
A siddur or Chumash play is an opportunity they  
wouldn’t pass by  
We are so proud of them for all that they do  
To help in any way - every single Jew  
Over 36 years, no matter what Hashem had in  
store  
We wish them koach to help the Klal for 36 years  
more!  
Ashreinu - we are lucky to be part of their  
family!

Dearest Parents,

May G-d grant upon you all of the blessings delineated in the following prayer we recite on Shabbos morning.

He who blessed our forefathers Avraham, Yitzchak and Yaakov, may He bless: this entire congregation along with all the holy congregations; them, their wives, sons and daughters and all they have; and those who dedicate synagogues in which to pray, and those who come to pray, and those who give candles for light, wine for Kiddush and Havdala, bread for guests, charity for the poor, and all who work faithfully for the community - May the Holy One mete out their reward, and remove from them all illness, and heal their bodies, and forgive their transgressions, and send blessing and success in all of their handiwork, together with all of Israel, their brethren.

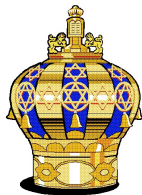

As we see from the text of the blessing, anyone who faithfully toils on behalf of the community, that all of the listed blessings should be granted upon them along "with all of Israel their brethren" - including their beloved congregants.

Few couples have jointly toiled so faithfully for the needs of any community as they have for theirs. G-d should continue to "mete out their reward, and remove from them all illness, and heal their bodies, and forgive their transgressions, and send blessing and success in all of their handiwork, together with all of Israel, their brethren."

With gratitude for blazing a Torah inspired path.

Eli, together with Chana Rifka and Yankel
